

Andre' L. Wright Jr.

COLOR OF LIFE BRANDING

Flashy Camera Angles to being a Lifestyle Analyst and Brand Strategist; You can't live without the works of Andre Wright! Jr! Bright colors, high fashion, sneaker designer, and turning brands into champions is what Mr. Wright was bread to do. Andre' Wright Jr. or what his coparts call him (Mr. Wright) has become a household name in Wilmington, DE to New York City and now the world. With his newly career path as a Sneaker/Shoe designer. Mr. Wright is well on his way to creating his brand "Color of Life Branding" in the entertainment industry.

As an inspired filmmaker he took his film ideologies and adapted those visions into Still Photography. Young in age, he traveled the world with his father & mother who were stationed in the military. This moment in time allowed Mr. Wright to capture the most beautiful parts of the world from Germany, France, and the United States. From that time on, Mr. Wright has taken all his experiences and incorporated it into his film-making and photography.

Upon graduating from High School, A self-motivated Mr. Wright went on to film school in Santa Barbara, Ca to achieve more technical knowledge on filmmaking and still photography. After 3 years of film boot camp and photography training, Mr. Wright and his film buddies created "COLOR OF LIFE Branding" Mr. Wright has worked for the power house VIBE Magazine, XXL Magazine, New Balance, MUTE Magazine, Universal Music Group (Geffen Records), and Hypebeast to name a few. He has also had the pleasure to photograph the likes of Common, Brett Ratner, G-Unit, Kanye West, Jay-z, Alicia Keys, Parris Hilton, Russell Simmons, Deitrick Hadden, Tye Tribbitt, Stat Quo, Stalley, Meek Mills, Al Roker, Bow Wow and many others.

Going forth to work on shoots with "Johnny Nunez" for Russell Simmons "Art For Life", Made In America, to Agenda Trade Show, and Hot 97's Summer Jam. Determined to be an unstoppable force, he won't quit until the world understands through his eyes of photography and branding. Mr. Wright is pushing the grain to the next level....
